# Chanel

Chanel is the rarest of beauties. There is no doubt that this filly is special. Her gorgeous build is matched by her fantastic colors and markings. Chanel has the extremely rare “zebra” stripes on her legs, a dorsal stripe and patches of color on her withers. She is put together to be a solid, capable and sound horse. She is friendly and easy to work with. She has shown her cleverness and willingness and is now working in a round pen easily. She will be a true friend. Her price is negotiable, so please feel free to inquire or make an offer.
